

FINDING YOUR STUDENT'S MENU

At this time, menus are not available through School Café. However, you may continue to access them like last year.

Here are some instructions:

1. Go to the CCISD.net homepage
2. Here you have two options:
 - i) Click on "Menu" (middle of the screen) or
 - ii) Click on "Departments" and choose "Child Nutrition". (This way will take you to everything dealing with the CN department; including menus).
3. Both breakfast and lunch menu links can be found for all schools under "Menus".
