

It's Back to School time at Clear  
Creek ISD Child Nutrition!

## Parents and Guardians:

Welcome to the Power Up Port, the new look of CCISD's Child Nutrition Department! Our main goal is to provide nutritious meals to students on a daily basis. We also strive to educate them on eating well-balanced meals and the importance of daily exercise.

After 11 years, CCISD is now operating the Child Nutrition Department. Since that change, the child nutrition department has given all of the serving areas a new look and a new name. Be sure to stop by and see for yourself!

### Your Child's Account:

Upon enrollment, all students are assigned a Personal Identification Number (PIN number), which corresponds to their personal breakfast/ lunch account. This PIN number will remain the same as long as they are enrolled in CCISD. This system allows parents to deposit money into their child's account for breakfast, lunch, milk or snacks. Money is deducted from each student's account when the student uses his/her PIN to make purchases in the cafeteria.

Funds can be deposited by:

- sending cash or check (made out to CCISD Child Nutrition Services)  
\*Please include your child's PIN number on the check
- visiting [www.mealpayplus.com](http://www.mealpayplus.com)
- Calling MealPay Plus at 866.535.1703

With this on-line system, parents can view their students purchase history, deposit money in their account and much more. For assistance or questions, please call MealPay Plus at 877.237.0946.

For every \$100 deposited in your student's account at one time, Child Nutrition Services will add an extra \$10 to the account.

### Please detach and return to the school cafeteria.

The Child Nutrition Services Department offers a block system to all students and parents. If you choose to restrict your child on what they may purchase, a message will appear on the students account when they enter their PIN number. Please indicate below and return this form to your child's school cafeteria. This form must be completed and returned to the cafeteria. Please allow 5 business days for the blocks to appear on your children's accounts.

Our department believes that school breakfast and lunch play a vital role in each student's day. Eating nutritional meals makes better students. We encourage you and your student to participate in our food service program. As a district, CCISD participates in the state wide Coordinated Approach to Children's Health, CATCH, program for teaching healthy living to our students. We appreciate the opportunity to serve you, your students and the community.

Free and Reduced breakfast and lunch is available for those who qualify. Applications are available in each school's office, cafeteria, and at the Child Nutrition Services Office at 300 Pennsylvania in Webster, Texas. Applications must be completed and returned for approval each school year. The approval process takes approximately two weeks from the time it is received by the Child Nutrition Services Department. If you have any questions, please call 281-284-0700.

**Food Allergy Restrictions:**

If your child has food allergies, please have a licensed physician fill out the Physician's Statement and return it to the cafeteria manager. You can obtain the Physicians Statement from your school nurse, cafeteria manager or at [www.ccisd.net](http://www.ccisd.net).

**Clear Creek ISD's No Charge Policy:**

If a child forgets his/her lunch money, Child Nutrition Services will provide the student with a cheese sandwich and milk.

Parents may specify which foods students may or may not have.  
 Please fill out reverse side and detach and return this form.

Don't forget, breakfast is the most important meal of the day! Come join me each day at your Power Up Port for a healthy breakfast.
