UPCOMING CAPS ACTIVITIES

HOMECOMING PARADE

The entire SLC is welcome to help the officers come up with a means of CAPS homecoming parade participation. The parade will take place on Hope Village Road on Tuesday, Oct. 30, 2007. Please e-mail suggestions to Ms. Linda Smith at lsmith@ccisd.net, or tell your advisory teacher.

The homecoming game against Brazoswood will take place Friday, Nov. 2, 2007 at 7:00 p.m. at Veterans Memorial Stadium (previously known as District Stadium).

INTERDISCIPLINARY UNIT OF STUDY

To promote a better and more unified understanding of a topic, the CAPS team will soon be participating in an Interdisciplinary Unit of Study. The topic will be announced soon in advisory classes. Every CAPS teacher will incorporate some element of the topic into their lessons.

Because of the Smaller Learning Communities, students should have most of their classes with teachers in the CAPS SLC. This enables students to work on ONE unit topic in many of their classes—in an effort to better their understanding and deepen their knowledge in a cohesive environment.

ANNOUNCEMENTS

The yearbooks from 2006–2007 are in! Come by room 219 to pick up your copy. If you need to order one, make checks out to CBHS, or bring \$80 cash. You must have your ID to pick up your book.

To reserve YOUR copy of the 2007–2008 yearbook, go to www.smart-pay.com. Books are \$70 if ordered by Apr. 1, 2008. Contact Ms. Laura Brenner at lbrenner@ccisd.net for more information regarding yearbook sales, senior or friendship memory pages, or business advertisements.

Clear Brook’s Connection Newspaper is in its second year of production after an eight-year hiatus. E-mail Mr. Richard Kotrla at rkotrla@ccisd.net with any story ideas or for advertising information.

The Art Club meets every Thursday after school in either room 400 or 402. Contact Mr. Jeff Samp for more information at jsamp@ccisd.net.

College of the Mainland to present speakers

On Monday, Oct. 8, CAPS will present a speaker from the College of the Mainland Health & Public Service Career Center. In November, a second speaker will come to the auditorium during advisory as well. The speakers are Carla Anderson from Criminal Justice and Steve Keller from Fire Technology.

The College of the Mainland offers both of these career paths, and students can visit <www.com.edu> for more information.
